

RESPONSIBLE CARE POLICY

Jubilant Life Sciences Limited and its subsidiaries are committed to excellence and continual improvement in Health, Safety, Security and Environment [HSSE] performance at its manufacturing units, research & development centers and offices; by leveraging our promise of Caring, Sharing, Growing.

The leadership is committed to implement Responsible Care Management System [RCMS] to promote sustainability across value chain. We shall endeavor to comply with all applicable national and international HSSE regulations and other requirements pertaining to HSSE as identified from time to time.

Jubilant shall design and develop, manufacture, handle, store and distribute its products in a manner that minimizes the risk to human beings and environment, while satisfying the stakeholders' needs.

At Jubilant, every employee has an important role in implementing RCMS through establishment, periodic review and achieving its objectives and targets. We shall timely engage with stakeholders to communicate our Responsible Care performance and inspire them to adopt Responsible Care guiding principles.

We intend to be a noteworthy force in helping to create a more sustainable world.
